## Mational Republican.

NEWS AND MISCELLANY. A pring child was found in the arms of a dranken woman named Julia Sexton, on Twenty-fourth street, New York. She had given it brandy punch.

THE Merchants' dispatch recently delivered freight in Detroit shipped from Boston in three days and twelve hours, and in two days eleven hours from New York. This is fast time for the transportation of general received.

A SEMBILE STRIKE WAS made by some coal miners in England recently. They refused to work until certain precautions were taken against accident, which were acknowledged by the proprietors to be essential, but which they did not want to attend to just then.

the Detroit papers came to us much reduced in size and matter. The strike has no reference to wages. There are no prospects of an early settlement, as the proprietors refuse to employ those they do not want. Owing to the strike of the compositors,

In England the dog tax yields a good sum. Up to the end of June last, licenses were taken out for 695,624 dogs against 394,837 on which the tax was paid in the year ending March, 1866. In Scotland the number of dogs taxed has increased from 36,365 to 80,000.

A LEADING Madrid banker, who went to A LEADING Mauria banker, who went to Rome during the centenary, was seized with cholera on his way home, and died. It is now found that the whole of his vast property has been left to the Pope, and his heirs openly contend that the will was made under influence, and that they will contest its validity.

The Danielsonville (Conn.) Transcript
says that Michael Higgins, a young man
of that village, was thrown from a horse
last week and received a compound fracture of the arm. After having the fracture reduced, he imprudently exposed the
limb, took a serious celd, lockjaw supervened, and he died in great agony on Saturday evening. urday evening.

A woman in Fon du Lac, Mich., took a percussion shell which her husband, when he returned from the war, brought home from a battle-field of the South, to fill up from a battle-field of the South, to fit up a broken place in the store, in consequence of which an explosion took place, tearing the store to atoms, blowing the windows of the house out, and playing sad have generally. Fortunately none of the

Our Western military posts in 1864 cost the Government \$25,000,000, and in 1865 \$37,000,000, of which last sum the pay of the troops took only \$1,642,000, while the subsistence department swallowed up \$31,523,880, and the quartermaster's \$23,374,209. It is stated that \$150,000,000, will accuracy used the expresses of 000,000 will scarcely meet the expenses of the past year.

Awong the amusements of the New Among the amusements of the New York Yacht Club at New London is a pig chase, in which the strong swimmers of the various crews participated. The pig, being nicely shaved and elegantly greased, was sent out from one of the boats, and at a given signal the swimmers plunged after. The novel sport was quite a success—for the spectators, not for the pig.

A MORRED individual wanted so badly to A sonaio individual wanted so badly to see the execution of Jerry O'Brien that he appeared before one of the police justices, and begged to be committed to the Tombs for ten days as a drunkard. The commitment was rande out, but the pseudo drunkard was intensely disgusted to find that his destination was Blackwell's Island, where he is now weeking out his ten days. where he is now working out his ten days

term.

A New York rink have just completed a very fine steam fire engine for the Japanese Government, which will be shipped in the ram Stonewall, recently purchased by the Tycoon. The American Artisan says this will be the first steam fire engine introduced into that country. The engine this will be to that seam fire engine in-troduced into that country. The engine is mounted on large wheels and strong and easy springs, and fitted up to be drawn by hand, and is so arranged that it can be changed for either horse or hand with very little trouble.

little trouble.

Is Chicago, last year, fifty-six firms returned sales exceeding \$1,000,000, while there were fifteen each in St. Louis, Milwaukie and Cincinnati. In Chicago the number of firms whose sales exceeded \$2,000,000 was fourteen; in Cincinnati, four: St. Louis, one; Milwaukie, five. The heaviest sales reported by a single house in Chicago were \$9,230,967; in Cincinnati, \$2,700,000; in St. Louis, \$3,127,223; in Milwaukie, \$5,524,000.

As interesting little girl about three

Milwaukie, \$5,524,000.

An interesting little girl, about three years of age, daughter of L. L. Ellis, of Troy, died on Sunday. About a week age he swallowed a nickel penny. A physician was immediately called, and all the known remedies were applied without effect. Very soon she commenced to womit, and it was found impossible to keep anything on her stomach. The symptoms were all those of virulent poison.

A MEETING has been held in Toronto having for its object the establishment in that city of an asylum formebriates. The chair was occupied by Mr. W. Nabb, police magistrate, who gave a sad picture of the fearful extent to which intemperance had gone in the capital of Ontario. He mentioned that during the eighteen months he occupied the bench nearly four thousand warrance had been months to complete the production of the complete the second of the complete the compl

thousand persons had been up before that thousand persons had been up before that thousand persons had been up before that for drunkenness.

The l'awtucket Gazette says some miscenble scamp or scamps ruthlessly entered the vestry of the Orthodox Church in Attleooro', one night has week, and made a raid on the class contribution boxes of the Sabbath school, and coelly appropriated the centents of some nineteen boxes. The amount is unknown, it being the slow accumulation of nearly three montls. The yield of three months previous was something like sixty dollars.
